RESPONSE

This amendment and response is being timely filed in this RCE proceeding.

Comments herein are in response to the Office Action dated June 1, 2004. A petition for a three month extension of time is enclosed herewith.

Applicant's attorney had previously requested an Interview with the Examiner if all claims were not allowed. The Examiner ignored Applicant's request, and rather, in the Office Action dated June 1, 2004, reiterated the arguments she had used previously,

and misconstrued Applicant's arguments presented in the response dated March 11, 2004.

Applicant then discussed the need for an Interview in light of the Examiner's application of the prior art with the Examiner's supervisor, and Mr. Sheikh suggested an RCE filing following which an Interview would be held.

Accordingly, Applicant requests, yet again, that the Examiner arrange for an Interview between herself, Mr. Sheikh and the undersigned, at a time and place of mutual convenience. Applicant can be reached at 610-648-3994 in order to schedule that interview.

Respectfully Submitted,
